Circuit Ricardo Tormo – Racing Legends – 5th and 6th March 2022

We already have 12 members signed up to showing their cars on the MACCC stand at this event, just to the west of Valencia. If you want to be part of the club display and proudly show your car but haven't yet spoken to Peter, please do urgently as **he needs final numbers by this Friday, 18th February 2022**. Your car must be at least 25 years old. You can attend on just one of the days or both. Talk about this with Peter, using peter.alt@marinaaltacc.com.

In addition to displaying your car you can also take it around the race track. You can enter a competition to try to complete the fastest lap over the weekend. You have a number of practice laps and then a timed lap. This will cost you 75€ and you could end up as the champion! You also have the option to just have the experience of driving your car around track, which costs 25€. For the track experiences you need to wear a helmet. If you don't have one you will be able to hire one. Interested? Talk to Peter.

If you choose to exhibit your car on the stand the entrance fee for the driver and car will be free. Other passengers in the car will have to pay for their entrance: 12€ for one day or 18€ for the two days. More information is available on their website: <https://www.circuitricardotormo.com/racing-legends-2022/> and more details about our planning will be provided to those who exhibit.

If you don't show your car it should still be a good event for a lovely day out!

Spring Gallop – Sunday 24th to Tuesday 26th April 2022
