19<sup>th</sup> April 2020

Good Morning all,

On behalf of the Committee we hope you are all staying safe and managing to stay strong in these difficult times.

The club continues to comply with current regulations and therefore all events are cancelled until further notice. We will keep the situation under review, and will inform you all when we can start rescheduling events for later in the year.

In the meantime, work is still going on in the background. Ross Ord and Trevor Kirkham have now completed an extensive video archive of club's activities going back over the last ten years or more. Many thanks to you both for all the work involved.

The videos can be found in the Members Section of the web site under "Video Archives". There are presently about 30 videos available and more will be added in the future, so if you have a little time to spare have a look and see what you think.

If anyone has any questions or needs help accessing the Members Area, please get in contact with me by email.

Stay safe - We look forward to seeing you all again soon.

Best Regards
