

3rd October 2020

Here is the latest news flash from the Marina Alta Classic Car Club.

Ace Café on Sunday 11th October 2020

Our October Ace Café is being held at El Campo, Camino de Travessera de les Cansalades, 134, Jávea, from 11:00am. The restaurant has plenty of outdoor space. It has recently been refurbished and, for anyone that wants to stay and eat, we are told the food is excellent. There is plenty of parking. The overflow car park is gravel but if we all park neatly we should all fit in the main car park.

October rally on Sunday 25th October 2020

This rally will finish at Bodega Museo Maserof, Jalon, where we have arranged for a 5-course meal at about 1:30pm. We will be inside the restaurant so numbers are limited to 40. The actual cost is 35€ per person, which includes unlimited drinks (although drivers, of course, need to drink responsibly), but because this is quite a bit higher than our normal rally cost the committee has agreed to subsidise each meal by 7€, making the charge only 28€ per person.

Members should consider bringing an extra warm layer in case it is cooler, in which case the owner, Carolina, will light a log fire. Ladies are advised not to wear high heels as the gravel paths can be rough in places. So too are the floors. We will not know what is on the menu until nearer the time because Carolina buys from the local markets and it will depend on what is available. She will need to know if you require a vegetarian option and who would like fish, who would prefer white wine and if you have any food allergies. Please make this clear when you book.

More detailed information will be provided nearer the date.

Interested? Please book at the Ace Café or contact Richard (richard.rihan@marinaaltacc.com).

Car importation and Brexit

Members who still have a car to import into Spain are advised to start the process urgently so as to avoid any complications next year after the withdrawal agreement deadline at the end of December 2020.
