

# NEWS FLASH

10<sup>th</sup> May 2020

Good Morning all,

On behalf of the Committee we hope you are all continuing to stay safe and well.

The club continues to comply with current regulations and therefore all events remain cancelled. Events cancelled this month were the Ace Café on the 10<sup>th</sup>, the Karting Event planned for the 16<sup>th</sup> and the Concours Day on the 24<sup>th</sup>.

As the restrictions are gradually relaxed we aim to start events again as soon as we can. We are considering an Ace Café as the first event, as that should be the easiest to comply with the ongoing restrictions. We are in contact with Saxo's who will advise us when they intend to reopen, and under what conditions.

We understand that some of you may wish to keep your distance from crowded places, and we will comply with all requirements before organising anything. We will also let you know well in advance, and ask you to book in if you wish to attend. That way we will have an idea of the numbers involved.

Peter has now received a reply from the hotel that we planned to use for the Spring Gallop, and has been offered a refund of the deposit that we paid. When this is completed we will contact those involved to arrange the individual refunds.

Stay safe - We look forward to seeing you all again soon.

Best Regards

Peter Alt President

David Moran – Secretary
