Classic Car Go-Kart Event

One of our members, Brian Spickett, would like to hear from MACCC Members that would like to take part in a Go-Karting event.

If you are interested, please contact Brian using brian.spickett@outlook.com.

Please note, this will be a private event, co-ordinated and organised by Brian, and is not a MACCC event.

Photo Agreement for Club Websites

At the AGM in January we had the agreement that any photos used on the club website or club Facebook page should be of classic cars, not people.

It would be ok if, like at an Ace Cafe meeting, someone was standing in the background when the photo was taken and that person is not the main subject, but that person should either be facing away from the camera or the face would be pixelated so that person are not recognisable.

So, in essence, on its official sites the club will not publish photos where a member or their guest(s) can be identified.

This will be affective from January 2024. Photos which are already published are not affected.

Bookings for events

Please note that for all future events our preferred paying method is via the website “**Make a Payment**”.

Also to avoid any misunderstanding, please note that your booking only is confirmed if you have either a confirmed email from the website or from the organizer of the rally.
