

2026 ANNUAL GENERAL MEETING

Sunday 25 January 2026

President's Report

Thank you to all for being a member in 2025 and best wishes to all for an even better 2026.

Unfortunately, some members passed away in 2025; David Wilson was on the committee for several years as Merchandise Officer, Robin Fenton was the in-situ Vice President and Colin McNae was a keen and active member. Our condolences to their loved ones.

We upgraded our rally activities to organise a local rally for those members who did not want to go on the Spring Gallop or Annual Rally. For the Annual rally to Mallorca, to ensure this one-off event would be a success, we decided to hire an external events organizer and this turned out to be a good decision. It was a big hit for all those who went.

At the Concours d'Elegance, we introduced a new 'public vote' cup, named the Robin Fenton Cup, which will be awarded each year to the car the members (not the judges) think is the best. In 2025, the members voted for Tony Agombar's 1967 Jaguar E-type Series 1.

As was decided at the 2025 AGM, we served paella at the annual Charity Day. Bad weather did not deter us and it was a great success. Sian Agombar provided 72 cupcakes for desert, and all were snapped up in seconds! Thanks to all the members and partners who helped us with this event.

The charity nominated for 2025 was Jalon Valley Help and we, between all of us, raised a very acceptable 2798€, from donations, raffles and valuations; see the 2025 Support for Charities Proposal. And for our Charity Day, Alcalali town hall provided the use of their chairs and tables and chairs, for which we donated 300€ to be given to a charity of their choice.

I hope you will enjoy the club activities in 2026 and I thank you all in advance for the nice moments we share together.
